Report of National Webinar Conducted on “Carrier Opportunities in Pharmaceutical Industry and Educational Opportunities in Germany”

(2021-22)

This webinar was conducted on **08th January 2022**. The webinar had organised by keeping in mind the need of students who want to pursue his career in Pharmaceutical industry or Education in Germany. The parents and students showed very overwhelming response. The undergraduate and post graduate students from various degree courses like Science, Pharmacy etc. showed active participation in this webinar. The link and messages had circulated with the participant one week earlier. The webinar was conducted on zoom platform and live sessions were also displayed on you tube. More than **600 students**, researchers and faculty of various colleges from the country had participated in this webinar.

Initially the Coordinator of the webinar had given warm welcome to both resource person Dr. Prashant Kharkar , Dr. Dinesh Sawant and explained the motivation behind arrangement of such webinar. In further speech, Principal Dr. G.H.Jain expresses their view about the webinar. In the first session Dr. Valmik Aware introduced resource person Dr. Prashant Kharakar who is working as professor in Institute of Chemical Technology ,Mumbai. Dr. Prashant delivered their speech on ‘Carrier Opportunities in Pharmaceutical Industry’ to all participants. He started their speech on sharp 12.100 pm and ended it by 1.30 pm.

In second session, Coordinator Dr. Valmik Aware introduced second resource person Dr. Dinesh Sawant who is currently associated as a Scientist with National Chemical Laboratory and also working for DAAD, as a brand Ambassador for India. He delivered his speech on ‘Educational Opportunities in Germany’. He started his speech at 1.45 pm and ended it by 3.00 pm. More than 500 participants from India interacted with both the resource persons. Then participant received their certificate of participation on the provided link.
