ICAR-Central Institute of Post-Harvest Engineering and Technology
(ICAR-CIPHET) Ludhiana, Punjab
In collaboration with IQAC
SNJB’s KKHA Arts, SMGL Commerce and SPHJ Science College,
Savitribai Phule Pune University, CHANDWAD- 423101 (Maharashtra)

Training on “Post-Harvest Management of Onions and Grapes” under Scheduled Caste Sub Plan (SCSP) 11-13 October 2021 Organized by ICAR-Central Institute of Post-Harvest Engineering and Technology (ICAR-CIPHET) Ludhiana, Punjab In collaboration with IQAC SNJB’s KKHA Arts, SMGL Commerce and SPHJ Science College, Savitribai Phule Pune University, CHANDWAD- 423101 (Maharashtra). Today, various researches are being done in the field of agriculture. Dr. Rahul Aher (MLA of Chandwad Deola Vidhan Sabha Constituency) stated that the farmers need to benefit more from this research, in this regard the work of the Indian Agricultural Research Council is highly commendable. A three-day workshop on post-harvest management of onion and grape crops was recently inaugurated in Abad-Lodha-Jain College, Chandwad, in collaboration with the Central Institute of Post-harvest Engineering and Technology run by the Indian Council of Agricultural Research. After worshipping the image by dignitaries, Dr. Changdev Kudnar, chief coordinator of this workshop and head of geography department, gave detailed information regarding this workshop. Kudnar gave detailed information that three days have been planned for this workshop specially organized for the farmers belonging to scheduled castes. After this, the Principal of the college, Dr. G. H. Jain explained the importance of this workshop in his speech. He expressed his happiness that the Indian Council of Agricultural Research has approved this workshop only to Chandwad College in Maharashtra. Today, it is necessary to organize programs for the benefit of society and farmers and the college is doing it. Chairman of the organization Mr. Bebilalji Sancheti said. Hon'ble MLA Rahul Aher as well as scientist Bhupendra Ghodki, Yogesh Kalnar from Ludhiana, and Krishi Bhushan Shivnath Borse were felicitated by Mr. Dinesh Bhau Lodha, (Vice President of Trustee Committee), Mr. Sunilbhau Chopra, Mr. Kantilalji Bafna and Mahavirbhau Parikh, Member of Trustee Committee and Coordinator of Chandwad College Development Committee. At that time, Manoj Patil, Coordinator of Internal Quality Assurance Committee, introduced the dignitaries. The workshop booklet was released by dignitaries. After this, honourable MLA Rahul Aher appreciated the work of the council while expressing his appreciation for the inauguration. He also said that on the occasion of this workshop, we were also introduced to the work of the Indian Agricultural Research Council and many activities for the benefit of farmers. After this, the coordinator of the college Mr. Kantilalji Bafna said in his speech that "Our Neminath organization also emphasizes on various types of social activities. The council should give us an opportunity to organize such programs frequently as the farmers of the area will get more guidance on the occasion of the conference organized for these farmers today. Dr. Babasaheb

Ambedkar's vision of community oriented education is being implemented on this occasion, he said. Yogesh Kalnar, a scientist from Ludhiana from Central Institute of Post-harvest Engineering and Technology run by Indian Council of Agricultural Research, introduced the institute in detail. He said that he would be able to reach the farmers on behalf of the organization. He also introduced the various departments and functions of the organization in Ludhiana. On this occasion, the greeting message of the director of the organization Nachiket Kotwaliwale was read out. At that time, two hundred farmers were present for this conference. The faculty and office staff cooperated for the success of the program.

Scheduled caste farmers of Chandwad taluka were trained on the post-harvest processes of onion and grapes. Hemraj Rajput from Yashwantrao Chavan Open University Agricultural Science Center Nashik and N. H.R. D.F. Hon. Director Satish Bhonde attended the workshop and guided the farmers on post-harvest processing of onion and grapes. Also, one day study tour of farmers was organized at Krishak Kendra in Lasalgaon. In order to preserve the onion as much as possible, radiation is applied to the onion at the farmer. This process was actually demonstrated to the farmers by Dr. Manoj Patil and Dr. Sudin Dalvi. scientist Yogesh Kalnar guided the farmers on how to develop low-cost processing machinery for jaggery, turmeric, onion and grapes. Dr. Bhupendra Ghodki informed the farmers about the type of work done in ICAR -CIPHTE. Maharashtra Bank's Agriculture Officer Hiralal Mali gave information about agriculture related schemes to set up agri industries and also challenged that maximum number of farmers should take advantage of this scheme. Two hundred farmers of Chandwad taluk were present for this workshop. These farmers were distributed agricultural instrument free of charge on the hand of Dr. G. H. Jain, Vice Principal Dr. Dutta Shimpi, Sanjay Khairnar, Workshop Coordinator Dr. Kudnar Changdev and co-coordinator Dr. Sudhir Dalve, scientist Yogesh Kalnar Prof. Subhash Sonwanegave the vote of thanks.
