

Benefits and Outcomes of certificates Course

The long term Pre-Placement Training is provided to all 1st year and 2nd year PG students from the beginning of their semester itself during their regular classes where 2 hours' time is allotted for the course. During final year special placement training is provided for 2 weeks in semester vacations which help them to gain a confidence for the upcoming placements. The main purpose of the training is to impart skills such as aptitude, reasoning, technical and soft skills that would aid in the employability of the students. We are providing the training by the well qualified and experienced trainers who are in this sector. Enhance and improve employable skills.

- The ability to communicate effectively with coworkers, employers, clients and customers, friends and family members.
- The opportunity to enhance organizational skills.
- Improve Personal and professional effectiveness.
- Increased efficiency and leadership skills to improve team results.

A practical exposure is given to realize the importance of the skill sets. Students are exposed to facing their fears and uncomfortable situations such as public speaking, job interview, group discussion etc. Team building and group activities are also performed to help students realize the benefits of working in a team for efficient productivity and cooperation.

The concentration is on strengthening the student's quantitative, verbal and reasoning skills. The first filtering round conducted by most of the companies is aptitude test, hence it is a crucial round to clear in order to proceed to further rounds of interview. The objective is to exercise the student's brain and prepare them with common topics as mentioned in syllabus. Speed, agility, decisiveness and time management plays a crucial role while attending the exam. Training includes mock tests conducted online to prepare the students with real life scenarios.
