State Level One Day Webinar on the topic 'PCB Design – Schematic and Fabrication' was successfully organized on 12<sup>th</sup> April 2024 by the Department of Electronic Science. The main objective of the webinar is to give an introduction of preparing the schematic of the electronic circuit and PCB layout by using OrCAD Capture and DipTrace Software and the actual fabrication of the PCB. The resource person for this webinar was Dr. Ashok T. Kanade Sir from Padmashri Vikhe Patil Arts, Science and Commerce College, Pravaranagar. He has vast experience in the field of PCB design and manufacturing.

Various topics discussed in this webinar are as follows: E-CAD tools, PCB design flow, introduction of OrCAD Capture and DipTrace software, PCB manufacturing in the laboratory, etc. Ninety four UG and PG students of Electronics Science as well as Physics from various colleges and institutions were participated in this webinar. Webinar was started with the words of Principal Dr. D, N. Shimpi Sir, Vice-Principal Dr. M. T. Patil Sir and the introduction was given by Head of the Department, Dr. Deepak R. Patil Sir. All the technical requirements were arranged by Dr. T. S. Salve Sir and Dr. O. M. Pardeshi

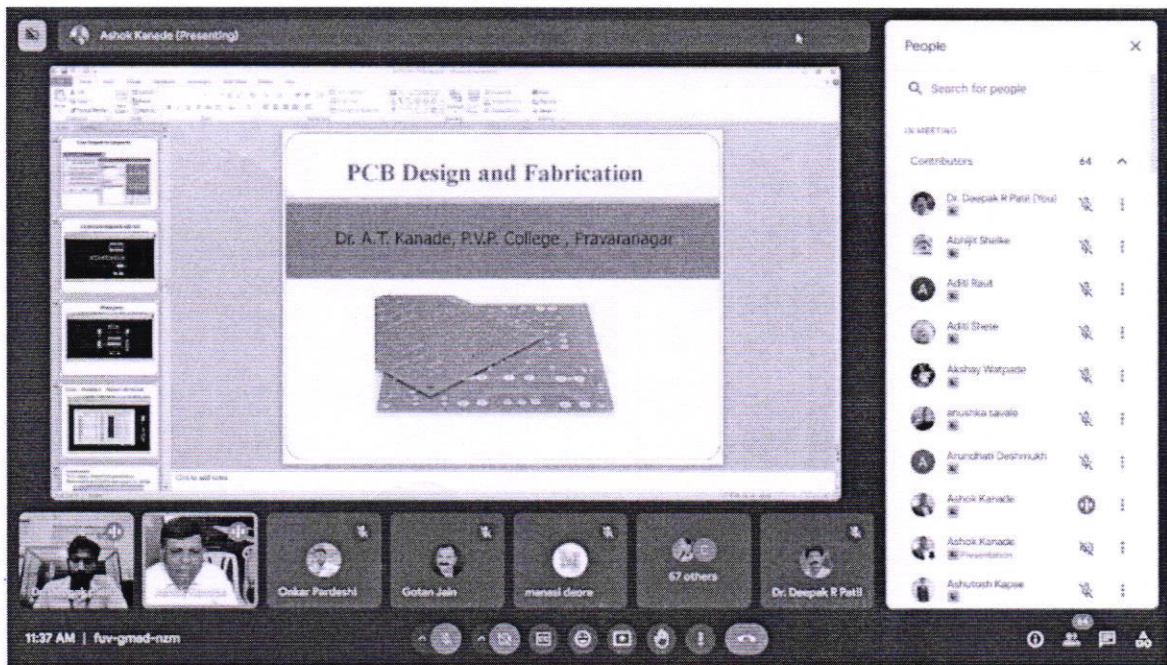

Sir. Introduction of resource person Dr. A. T. Kanade Sir was given by Miss. Divya Gadakh madam and vote of thanks was given by the Miss. Meena Khilari madam. Webinar was hosted successfully by Miss. Priyanka khairnar. The event was successful due the efforts taken by all the teaching and nonteaching staff as well as students of the Department of electronic science.
