

Report on Pi Approximation Day Celebration

Department of Mathematics

SNJB's KKHA Arts, SMGL Commerce & SPHJ Science College, Chandwad

The Department of Mathematics successfully celebrated **Pi Approximation Day** on **22nd July 2026** in the College Seminar Hall with great enthusiasm and active participation from students.

The programme was presided over by **Principal Dr. Rakesh Sancheti**. The distinguished dignitaries present on the dais included **Vice Principal Dr. Manoj Patil**, **IQAC Coordinator Dr. Tushar Salve**, and **Head, Department of Zoology, Dr. Mayur Patil**.

The programme commenced with the traditional welcome of the dignitaries. In his presidential address, **Principal Dr. Rakesh Sancheti** highlighted the significance of mathematics in scientific and technological advancements and appreciated the Department of Mathematics for organizing an informative programme. **Vice Principal Dr. Manoj Patil** also addressed the gathering and motivated students to develop a deeper interest in mathematics through such academic activities.

The academic sessions began with **Mr. Madhukar Zanje**, Assistant Professor, Department of Mathematics, who delivered an enlightening talk on the **history and evolution of the mathematical constant π (Pi)**. This was followed by an engaging presentation by **Dr. Safoora J. Ansari**, **Head, Department of Mathematics**, who shared several **interesting facts and real-life applications of Pi**, making the topic enjoyable and thought-provoking for the students.

A student presentation was delivered by **Ms. Rutuja Bothe**, a First Year B.Sc. student, who confidently spoke on the importance of Pi and its applications in mathematics and everyday life.

An interactive session was then conducted by **Dr. C. B. Kumbharde**, Department of Mathematics, who involved students in various mathematical activities and quizzes related to Pi. The session witnessed enthusiastic participation and enhanced students' curiosity and interest in the subject.

The programme was gracefully anchored by **Ms. Ishwari Pawar**, while the **vote of thanks** was proposed by **Ms. Poonam Thakare**.

A total of **85 students** participated in the programme. The celebration successfully created awareness about the importance of Pi in mathematics and inspired students to appreciate

the beauty and practical relevance of mathematical concepts. The programme concluded on a positive note with active student engagement and appreciation from all the dignitaries present.
