Principal's Foreword:

The College has been recredited with B grade by NAAC, Bangalore. Being the only institute imparting higher education in Chandwad Tehsil, Science faculty of the College was given 100% grant-in-aid status by government of Maharashtra. This is a first step towards development of Science faculty. The College intends to bring in academic flexibility by introducing more UG and PG programmes and add UGC approved value added and diploma courses. The College is going to implement the suggestions of NAAC Peer Team for qualitative growth.

I wish to thank all the Local Management Committee members, distinguished Alumni, IQAC Coordinator, all the faculty members and non-teaching staff for their valuable inputs and constant efforts in compiling the Strategic Plan.

I wish this perspective plan will make a road map and path to the College to become a top higher education institute.
