

1.1.2 – The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

University notifies an academic calendar for all the programs before the commencement of each semester, which contains the date of commencement, last working day of the semester and dates for semester-end examinations. Our institute follows the calendar issued by the University strictly and plans all its activities including the conduct of Continuous Internal Evaluation. The institute prepares an institute-level calendar and subsequently every department prepares its calendar. The academic calendars help faculty members to plan their respective course delivery, research work, academic and co-curricular activities. Department heads closely supervise and monitor the completion of the syllabus. Syllabus coverage for each CIE is decided well in advance and faculty members adhere to it. Internal Assessment tests, assignments, quizzes, and seminars are part of the Continuous Internal Evaluation of students. The internal assessment test timetable prepared by the examination committee is published to students and conducted as per the schedule. Continuous evaluation and assessments are also done for laboratory course, project work, seminars. The Principal, through the academic committee meetings, frequently reviews the semester's progress and provides suitable suggestions. In case of revision of academic calendar by the university, institute incorporates the necessary changes accordingly
