## Report

### SOFT SKILLS DEVELOPMENT PROGRAMME 2017-18

It gives me immense pleasure to present the report of Soft Skills Development Program organized from 31<sup>st</sup> July 2017 to 11<sup>th</sup> August 2017. Before the inaugural session, the college coordinator of the program invited students to give them glimpse of the program and tried to make them understand need and importance of the soft skills in their career and life. To have friendly and healthy learning environment, we had taken their ice breakersession. For inaugural session Dr. Sachin S. Surve (Section Officer, Human Resource Development Center, SSPU, Pune) was invited as he has expertise in this field. He spoke to students first on the need of soft skills development program followed by highly interactive and extremely useful session on Confidence building and Motivation. Prof. VrushaliGagarepatil from Niphad College conducted session on SWOT Analysis which is quite helpful for students to know themselves in a better way. Dr. TusharChandwadkar demonstrated importance of Body Language and suggested means to improve it. He kept the participants engaged throughout the session by making them participate in activities and games.Mr. Prakash Pagare from Deolali Camp College, Nashik shared his valuable views on Decision Making and Goal Setting. Mr. DevendraDagade guided the students on Interview Techniques and competencies that are assessed in an interview. Mr. Milind Ahire (Manmad College, Malegaon) had taken a lively session on Emotional Intelligence. He conducted various activitiesto make the students understand different kinds of emotions, how to deal with them and control in particular situation. Mr. Vilas Sonawane (P.I.,Nashik) not only guided the students on Personality Development but actually inspired them through his extremely powerful presentation. Dr. Nitin Pawar spoke on Transaction Analysis and moved students by his command over the topic and the way he concluded the session.Ms. Safoora Ansari had interaction with students on Communication Skills. She also expressed her views on Self-Esteem, attitude and behavior.Honorable principal, vice principals, heads of all departments graced the valedictory function and distributed Soft Skills Development Program participation certificates to students. We are glad to say that fifty four students derived benefit of the program.

## Report

### Event: JIGSAW Physics Competition

On the occasion of National Science day on 28<sup>th</sup> Feb. 2019, Department of Physics organized JIGSAW Physics competition for F. Y. B. Sc & S. Y. B. Sc students. The chief guest for this event was Mr. Onkar Pardeshi from Electronics Science department. There were 19 students participated in JIGSAW Physics competition. Competition was conducted by M. Sc-II year students & co-ordinated by Prof. A. B. Gite.

M. Sc-II year students made 9 groups & name them as Rocking girls, Ideal star etc.

1<sup>st</sup> round was MCQs in which 5 questions for each groups. It is of 50 marks.

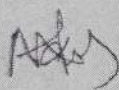

2<sup>nd</sup> round (Parts A) was thinking round in which some picture like magnet, balloon etc & was shown and asked them the properties of it.

(Parts B) was scientists pictures to recognized.

(Parts C) was logical question.

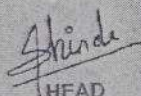

3<sup>rd</sup> round was rapid fire.

All the participant students have given certificate & winner has given certificate with trophy.

Sub.: Permission for "Scientific Reading & Writing" Workshop for M,Sc-II Students

Dear sir,

As per subject cited above Department of Physics seeks permission for the conducting of Scientific Reading & Writing" Workshop for M,Sc-II Students. This workshop consist of online forum discussion though groups and face face trains for one week. This workshop will be conducted by Mr. K.P.Madhu & Smt. Geeta Madhu. Who is well known scientific and media writing workshop consultant from our department Mr. A.B.Gite will co-ordinate this activity and do the necessary formalities.

I here by request you to give the permission for the same.

Respected Sir,

Our College SNJB's KKHA Arts, SMGL Comm and SPHJ Sci Collge Chandwad Nashik established in 1970. It is affiliated to Savitribai Phule Pune University and recognized under 2(f) and 12(b). It caters to the educational and socioeconomic needs of the students dwelling in rural area of Chandwad Tehsil. It avails graduation and post-graduation courses in arts, commerce and science.

As per the discussion during a National workshop at AYUSH center at Savitribai Phule Pune University Pune your lecture was quite informative and it inspires me to write scientific reviews and articles. I would like to invite you to conduct the workshop at our college for PG students. All our students are coming from the rural background and we feel your guidance will definitely help our PG students.

If you suggest the dates of your convenience we will arrange the same.

Looking for the positive reply from your side.

Regards

Anil B. Gite

Prof. Gite Anil B.

Assistant professor,  
Dept. of Physics,

Dear Sir,

Thank you for your kind invitation to conduct a workshop for your PG students. I would be delighted to take up the task.

Though I think that it would be more productive to conduct the workshop for the faculty, I understand that it would be difficult to get the faculty off for a week from their work. However, if any faculty is interested, Current Science is organising a workshop from 24th to 29th of September. Please request your college to send a faculty

<https://mail.google.com/mail/u/0?ik=394556e11a&view=pt&search=all&permthid=thread-a%3Ammial-rb763929769669845743&simpl=msg-a%3Aa%3A-83516305644898084&simpl=msg-f%3A16>

Gmail - Regarding the conduction of workshop for PG students on Scientific writing.

evaluate and assess the value of the workshop for the faculty. The announcement of the workshop will be published in the July 25th issue of the journal.

About the workshop for PG students - I would like to know them beforehand, run a virtual workshop for about a month before meeting them. I hope you remember about the number of participants in the workshop - not more than 14. I can add two more as observers. Observers cannot take part in discussions and activities.

I used to teach earlier and when the number goes up, I turn into a teacher and forget about my role as a trainer. The result is that the impact of the workshop as well as the quantity and quality of the output from the workshop go down. I have tried it two batches of IISER Pune students - a batch of 114 and another batch of 165. Though they loved my lectures, there was no outcome. I felt I had wasted my time and energy. However, the one-month long science video production workshops were quite productive since the participant numbers were small to allow individual attention.

If you give me the Gmail ids of the students, I will form a Google group and initiate the virtual workshop. Then in a month, we can fix the dates for the face-to-face workshop.

Best regards,

Respected Sir,

Sorry for the delay...

We have just at the start of a new academic session of PG students and list of 16 students is attached herewith, as per the information for given we are giving the 16 number of students from the class for more productiveness and individual attention.

We are very happy that you are guiding us our students where most students are coming from the rural background.

Also regarding Current Science workshop from 24th to 29th of September, we have informed in the staff meeting of college that interested faculty member will join the workshop for the faculty.

Kindly find the list of students attached herewith.

Thanking you  
with regards

Gmail - Regarding the conduction of workshop for PG students on Scientific writing.

From: Anil Gite <gite.anil@gmail.com>

Dear Sir,

I have formed a Google group consisting of 15 students. One e-mail id - Poonam's - seems to be wrongly spelt - "Poonam Bhausaheb Raundal" <poonammmanoj4416@gmail.com>

Rohini's id was also wrongly spelt. But I managed find the error and corrected it. But I will need Poonam's correct id to include her in the group.

I will include you also in the group. You may observe the activities. Perhaps, some day, you may find the techniques that I am using, in your profession too. But as much as possible desist from participating. It may inhibit the shy students to find a Professor peeping over their shoulder. :)

If all goes well, the participants would be ready for the workshop by the end of August. So we can plan either for the last week of August or the first week of September. Please check with others what would be the convenient time and tell me.

Best regards,

Res sir,

I request to add these students in the group as

1. Ayushi Hemant Patil  
[ayushreep001@gmail.com](mailto:ayushreep001@gmail.com)
2. Raundal Poonam Bhausaheb  
[poonammmanoj4416@gmail.com](mailto:poonammmanoj4416@gmail.com)
3. Kshirsagar Pratiksha Keshav  
[pratikshak204@gmail.com](mailto:pratikshak204@gmail.com)

Thanks for the efforts and give time to our remote area students and I definitely feel that most fruitful things will come out from this activity.

With regards

Anil Gite

## NOTICE

All the students of **M.Sc-II Physics** are informed that we are conducting the workshop on "**Scientific Reading and Writing**" from **20/07/2018 to 01/09/2018**. The number of seats are limited & workshop consists of both Hands on Training and Theoretical session. Preference will be given to the highly motivational students wants to pursue their carrier in the sure field. Other details are mentioned on the Notice Board.

## **Workshop on** ***"Scientific Reading and Writing"***

**Workshop Duration: 20 July 2018 to 01 September 2018**

### **Workshop Content Includes:**

#### **Module: I Online**

**Self Introduction**

#### **Module: II Online**

##### **Discussion Thread :-1) Science and Constitution of India**

1. Scientific temper
2. Humanism
3. Spirit of inquiry and report

#### **Module: III Online**

##### **Discussion Thread :-2) Science and Policies**

1. Scientific policy resolution at 1958
2. Science and technology policy at 2003 this policy brought the benefits of Science and Technology
3. Science and Technology and innovation policy 2013

#### **Module: IV Online**

**Discussion Thread:-3) Vision and policies to plan and program**

## **Module : V Writing Workshop**

**First day:** time table first session is started on 10.00 to 11.30am and second session 12:00 to 2:30pm and third session 2:30 to 4:30pm after this started about science, first asked what is science the technology and innovation science as a verb method of science what do the scientist do they ask questions, literature search, hypothesis strategy for skill building.

**Second day:** How to improve English, some important grammar, question discussion i.e. what when and why who etc questioning the experts and give a task about why question.

**Third day:** Commands on English daily work 1) one story per day 2) one poem per day 3) one poem per day. Then after this we read a story and solve a grammar examples etc.

**Fourth day:** Discussion on how to read scientific paper how to cut the log sentences and make a short and solid sentence then for search meaning use of Google, Google scholar science hub for searching a paper bookmark. The discussion of flow of time, flow of language and flow of logic etc.

**Fifth day:** Discussion on ozone hole issue 1<sup>st</sup>: ozone hole story, in the sky going to fall on our heads issue 2<sup>nd</sup>: Climate warming, Global warming, Milankovitch cycles, History of CO<sub>2</sub> issue 3<sup>rd</sup>: Female feticide, sex ratio, nonlinear dynamics, gender issue then after this discussion on paper and how to discuss about paper.

**Sixth day:** Discussion on paper how to tell us story about paper reading one paper per day one review per month etc after this end of the workshop closing ceremony is arrange and the short program and in this program all students saying a views and feedback.

**Result:** The output of this workshop is important and valuable after this workshop our life a new track and our confidence is increases.

I am **Huda Imran Ahmed**. I was born in Malegaon. I studied KG to 12th in Malegaon high school and junior college. After this, I completed BSc in JAT College. I passed 1st class with distinction and after completing the graduation, I took admission in MSc at the SNJB College. I am so happy because my 1st year MSc is clear 1st class with distinction. I am a student of MSc 2nd year. I will try to give NET, SET exam in 3rd semester of MSc. After this, I am giving the GATE exam for PhD. My interest in research in free timing. I am not watching movies but, I watch physics related videos. My favourite game is volleyball. I played state level. I am belonging to middle class family. My father is businessman. I am so lucky because, in my family. I am first girl studied at this

level. I have one elder sister and three younger brothers. After completing my dream, I am belong to my father. I took a 10th class tuition. I am so happy because in daily up down from Malegaon to Chandwad more difficult but, I Got second rank in my class 80.67%. My aim is to complete education with more knowledge. I am so lucky girl for join this group. I think I am getting more knowledge from this group. My lifestyle is very simple. I will manage all problems because my aim is to complete my dream. My family gives all required things in time to time so that, My right is to give best result.

My interest in not only in study but also. I am good singer. In farewell program, my responsibility is for anchoring without hesitation. I was do it. I don't like to follow others notes my interest is for making my own notes. for searching different reference books.

I am **Mayur Madan Sable**. I am from Jalna.

I studied KG to 10th in a marathi medium School at the Swami Vivekanand High School Jalna, Tel-Jalna, Dist-Jalna.

Then, I am suddenly took admission J. R. G. college Tel-Chandwad Dist-Nashik because, I was some family problems.

I completed my BSc at S.N.J.B College Chandwad with first class.

After graduation I took admission in MSc in S.N.J.B college. My 1st year of MSc is all clear. Last month I attend CSIR NET exam. Now I will try to give NET SET exams in this semester.

I belong middle class family. My father work as labour. I am first person in my whole family who studied in this level. My family is always supported me at any condition. My hobby is swimming & playing cricket. I also like to traveling, reading & watching physics related movies like GRAVITY, APOLLO 13, MICHEL MARSH etc. Also like to watched science related videos.

I am so happy for join this group. I am to get more important things and knowledge for this group.

## Need and Importance of Scientific Writing

The aim of science is to generate new and reliable knowledge. If one only applies science, perhaps without doing own research, one should gather and apply state of the art knowledge rather than outdated knowledge.

Due to the aim of science, good writing is not a luxury, but an essential skill. It is essential not only for the dissemination of knowledge, but also for creating knowledge. During the writing process one is forced to be precise in all details. It is only during the writing process that gaps in the reasoning or lack of clarity become apparent.

According to the philosopher, “unclear writing is an indication of unclear thinking, and everything that can also be said in clear and unambiguous words.”

A similar quote:

“Whereof one cannot speak, thereof one must be silent.”

In a more general prospective, scientific writing is a process of organizing and shaping information. Compare writing to programming: when we write computer programs, we apply the utmost care. The program must be syntactically correct and must compile and run, furthermore it must be logically correct and we spend further efforts on optimizing, structuring. Shouldn't we apply at least the same care when preparing information for other people rather than for machines?

Thank you.

Huda Imran Ahemad

MSc II Physics

### Report of scientific writing workshop

Introduction: This workshop is creating under the madhu K.P sir and Gita mam the online session of this workshop started on 20<sup>th</sup> July 2018 we completed the some important task for making link to writing this workshop which is started on 27<sup>th</sup> of August 2018

First day: Firstly Madhu sir makes a schedule or time table first session is started on 10:00 to 11:30am and second session 12:00 to 2:30pm and third session 2:30 to 4:30pm after this started about science, first asked what is science the technology and innovation science as a verb method of science what do the scientist do they ask questions, literature search, hypothesis strategy for skill building.

Second day: How to improve English, some important grammar, question discussion i.e. what when and why who etc questioning the experts and give a task about why question.

Third day: Commands on English daily work 1) one story per day 2) one poem per day 3) one poem per day. Then after this we read a story and solve a grammar examples etc.

Fourth day: Discussion on how to read scientific paper how to cut the log sentences and make a short and solid sentence then for search meaning use of Google, Google scholar science hub for searching a paper bookmark. The discussion of flow of time, flow of language and flow of logic etc.

Fifth day: Discussion on ozone hole issue 1<sup>st</sup>: ozone hole story, in the sky going to fall on our heads issue 2<sup>nd</sup>: Climate warming, Global warming, Milankovitch cycles, History of CO<sub>2</sub> issue 3<sup>rd</sup>: Female feticide, sex ratio, nonlinear dynamics, gender issue then after this discussion on paper and how to discuss about paper.

Sixth day: Discussion on paper how to tell us story about paper reading one paper per day one review per month etc after this end of the

\*\*\*\*\*"WORKSHOP REPORT"\*\*\*\*\*

Hello everyone,

In this online course are started 20 July 2018 created by Madhu KP sir. There are 13 people are participated. Madhu sir send first mail of self introduction at 23 jully2018 and workshop will be started. I am very happy to participate workshop. Madhu sir send next message of Discussion thread1:- science and constitution of India, this message takes 28 July 2018. In this thread1 we have discuss the 1) scientific temper 2) Humanism 3) Spirit of inquiry and report.

Madhu sir send next mail of Discussion therad2:-in message take 3 August 2018 this thread discuss the Science and policies, 1) scientific policy resolution at 1958. 2) Science and technology policy at 2003 this policy brought the benefits of science and technology. 3) Science and technology and innovation policy 2013

"Science is about a methodical approach increasing and organic human knowledge.

"Technology is the application of scientific knowledge for practical purposes, especially industry.

Next mail was Discussion therad3):- from vision and policies to plan and programs. We have discusses to about it. In this way this online process are flow.

Before workshop is started to 27 Aug 2018 .In this workshop first day faces many problems. But Madhu sir and Gita mam very nice person they solve many problems. Very important knowledge provides. How to write scientific paper and current science information and improving English language .Thank so much Madhu sir and Gita mam. Thank you so mach Gite sir organizer of this group.

Thank You

## Report of scientific writing of workshop

### View of Online Group

Hello everyone!S

Before workshop, K.P. Madhu Sir creates the online group at 20 July 2018. In this group all members including Madhu sir, Gite sir gives introduction to ourselves. After that the discussion thread is started. The discussion thread is,

- (1) Science and Constitution of India: In this thread, we discuss about scientific temper, Humanism, Inquiry, etc.
- (2) Science, Technology and Innovation: In this thread, we discuss about science, Technology and difference between them. As well as we discuss about Innovation.
- (3) Vision and Policies to planes and programmes: In this thread, we discuss about policies to planes.

This is exercise to improve the scientific skill .i.e. writing skill  
In all that things, I had face to many problems but Madhu sir solves this problems. Sir and Mam give knowledge about how to read, how to write the scientific papers etc.

I feel this is a good opportunity for all of us to understand and write scientific papers through this workshop.

I have any doubts or unable to understand the research papers, reviews then I tell to Madhu sir and Mam. I have confidence that Sir and Mam can guide us in proper way.

Thank you.

Name : Deore mayuri sunil

## \*\*\*\*\*Workshop Report\*\*\*\*\*

In scientific writing workshop we give lot of valuable knowledge from K P madhu sir & Gita madam. The online discussion about threads is started at 20 July 2018 .

In Workshop we learn about writing skills from step by step. First learn the meaning of science using examples, then learn new thing it was! download the research paper using "scihub", create bookmarking of the difficult word. Then we learn reading of research paper by using trick.

For writing paper English language is most important, so that k.p madhu sir suggest easy things that was read poem, story, essay in per day. To write make simple sentence from complex sentence using conjunctions, prepositions, connecting words. Also how to connect sentence from beginning to end. make every sentence is simple, meaningful or active for readers. The uses of Google scholar, Literature search, science direct is also learn. Not only the scientific writing but also learn about physics related things like non linear dynamics, flaters. also learn the new thing 'plagiarism' or self organisation. For increase the knowledge of research paper which books are read is known. Also useful apps like mendeley, researcher.

For get more knowledge, how to make question using pattern of questions. In short we get more useful things for project writing.

Thank you so much.....!

***Name: Sonawane Monali Sanjay***

## ***WORKSHOP REPORT***

***HELLO EVERYONE!***

Scientific writing workshop conducted by KP Madhu sir, is very useful and has huge advantages for our future.

In this workshop we learn how to download research paper.

How to read it and how we publish the paper into the journal.

In this workshop we also get knowledge about use of google, google scholar and detail future of this app. Google scholar is more efficient and gives appropriate result. We also learn how to use science direct website.

By using science direct website we can find particular research paper, current research paper and research paper of particular area. Because of our poor knowledge we also teach us English language.

We use apply this knowledge for MSc second year. In this workshop we understand the linear and nonlinear dynamics, Apply this feature.

**THANK YOU**

Shri Neminath Jain Brahmacharyashram's  
K. K. H. A. Arts, S. M. G. L. Commerce & S. P. H. J. Science College,  
Neminagar, Chandwad, Dist.-Nashik 423 101  
Re-accruited by NAAC with 'B' grade  
"Best College Award 2015-16 of Savitribai Phule Pune University, Pune"
