**CENTRAL INSTRUMENTATION FACILITY**

In current scenario, research in basic sciences has given tremendous importance. Interdisciplinary research merged different areas especially Chemical sciences, Life Sciences, Earth Sciences and Material Sciences. Teaching staff and students from our institute is also working in above area. Therefore it was need of time to set up sophisticated instrumentation facility at our institute to support teaching staff and students from our institute as well as other institutes. In 2018, we did set up of Central Instrumentation Facility (CIF) at our college which is maintained and cared by qualified staffs. This facility is also available to all academic institute and industries.

Our CIF facility has following instruments:

- 1) SHIMADZU UV-2600
- 2) FTIR IR AFFINITY

**Objective of CIF:**

- 1) To provide analysis facility for teachers, students and industry people.
- 2) To make available this facility to those peoples from academic Institutes and small industries who don't have this facility available in their own institutes.
- 3) Encourage students, teachers and peoples from industry to initiate research in high priority areas.
- 4) To increase research collaborations and consultancy with Government and Private Institutes.
- 5) To increase interactions among the peoples from different scientific disciplines.
- 6) To provide training to teaching staff and students about maintenance, handling and servicing of the instruments.
- 7) To increase skill among peoples doing research in various faculty.

**Report on Vermicompost**

Vermicompost unit is recently developed by the Botany Department of SNJB's KKHA Arts, SMGL Commerce & SPHJ Science College Chandwad with a view to benefitting local community. In our college we have constructed two beds for vermicompost near Electronic department. Size of each bed is 10x7x4. We have brought earthworms (*Eisenia fetida*) on 1<sup>st</sup> May 2018 from forest Development Corporation of Maharashtra, Nasik. We have mixed Culture of earthworms with compost in compost bags and then transferred to vermicompost beds. We have used dung of domestic animals as feed for earthworms in beds in early days for their growth. Daily waste material of mess i.e. excess leaf, vegetable litter as well as biomass of plants present in garden i.e. leaf, stem, flower litter etc. was transferred to compost bags first. After few days the partially decompose waste material was carried by the students of earn and learn to vermicompost beds for formation of vermicompost. After every seven days beds were watered with the help of sprayer. Excess water inside beds was collected and used as vemi wash for plants present in our garden. Information of Vermicompost is provided to the farmers of nearby areas. Vermicompost bags were given to the Central office of SNJB and SNJB's College of pharmacy. Importance of this Vermicompost bed is our UG & PG Students of Zoology & Botany learn about preparation and use of vermicompost in crop filed. Many students prepared vermicompost with the help of study in our institute. Also our faculty members & Non teaching staff learn about Vermicomposting. Instead of burning waste material (i.e. Biomass of Plants) we carried it to vermicompost beds because of this we could avoid pollution in environment.

Contact Person: Prof. Swapnil D. Wagh

Sample bag was given to Nagarparishad Chandawad officials

## Report on Compost

Compost is organic matter that has been decomposed in a process called composting. This process recycles various organic materials otherwise regarded as waste products and produces a soil conditioner (the *compost*). Compost is rich in nutrients. It is used, for example, in gardens, landscaping, horticulture, urban agriculture and organic farming. The compost itself is beneficial for the land in many ways, including as a soil conditioner, a fertilizer, addition of vital humus or humic acids, and as a natural pesticide for soil. In ecosystems, compost is useful for erosion control, land and stream reclamation, wetland construction, and as landfill cover.

Eight compost bags have been placed in our SNJB's college campus. . Out of eight, three bags have been placed at our Arts, Commerce & Science college's garden. Two compost bags have been placed at Medical College, One compost bag has been placed at Poletechnique college and One bag is at Pharmacy college. Size of each bag is 10x4x2. Waste biomass of college campus was dump in these bags. The students of earn and learn scheme daily collect the leaf litter as well as other waste biomass of plants from Garden and Campus & dump it in these compost bags. We make layers of waste biomass & soil in these bags. We water these bags after every seven days. Seventy percent partially decomposed material is transferred to vermicompost beds for formation of vericompost.

Botany as well as zoology students are learning about preparation and importance of compost. Many students have prepared their own compost plant in their farms. Instead of burning waste material (i.e. Biomass of Plants) we carried it to vermicompost beds because of this we could avoid pollution in environment. Students are working for awareness in society for the management of solid waste material (Biomass) in their villages.

Compost bags filled with organic material

**GST workshops**  
**Department of Commerce**

Under the Department of Commerce, 2017-2018 as well as 2018-2019 The Basic Practical Aspects In Tally ERP 9 program was implemented in which 2017-18 students had 30 students and 27 students participated in 2018-19.

In addition to considering the needs of the people and the future of the students, the program was implemented in 2018-19 by the Basic Practical Aspects In GST, in which 25 students enrolled. This program was implemented under the guidance of Prof. Dagade Devendra Ajit under excellent planning and study environment. In this seminar Prof. P. R. Sohani, HOD of Commerce Department, Prof. Nitin Jain, Prof. Kiran Dere, and Prof. Rajesh Gangurde received valuable support.

Principal of the College, Dr. G.H. Jain, appreciated the initiative taken by the Department of Commerce and conveyed the best wishes for the next venture.

**GIS and GPS workshop**

**Department of Geography**

Dr. Kudnar introduced uses of GPS to the students and organized a one day workshop on GIS for the students of Geography and Botany (UG & PG). He attended a twenty one day workshop on GIS held at Parvatibai Chowgule College of Arts & Science, Goa in 2015.

In this one day workshop on GPS, Mr. Ramesh Nannavare was invited as a speaker. Principal Dr. G. H. Jain, Vice-Principal Dr. D. N. Shimpi, HoD of Geography Dr. C. K. Kudnar Dr. Manoj Patil, Dr. Sudin Dalve, Prof. Swapnil Wagh, Prof. Subhash Sonawane and Prof. Ramdas shinde were present for the workshop conducted on 8<sup>th</sup> February, 2019.

Workshop was inaugurated by Principal Dr. G. H. Jain. Foreward of workshop was given by Dr. C. K. Kudnar.

85 students and 15 staff members attended the workshop. Mr. Ramesh Nannavare delivered detail knowledge of the GIS and GPS to the attendees.

The workshop was coordinated by Dr. C. K. Kudnar and Prof. S. M. Sonawane. Vote of thanks was given by Prof. Ramdas Shinde.

Inauguration of the workshop

Felicitations of speaker Mr. Ramesh Nannavare

Distribution of Certificate to the students

**DEPARTMENT OF ELECTRONIC SCIENCE**

Workshop Report

**Title:** One-Day Workshop on 'PCB Designing'

**Date:** 26<sup>th</sup> February, 2019

**Organized by:** Department of Electronic Science

**Faculty Coordinator:** Dr. Tushar S. Salve

Department of Electronic Science organized and conducted a one-day workshop on PCB designing on 26<sup>th</sup> February 2019.

The objective of this workshop was to give hands on training to the T. Y. B. Sc. students on designing and fabricating the printed circuit boards. The workshop was free and compulsory to all students of last year Electronic Science. All 24 students actively participated in this workshop.

The workshop was arranged at computer lab equipped with 25 internet connected computers at Science-laboratories building. Registration was limited to T. Y. B. Sc. students of Electronic Science only due to limited no. of PCs. Principal Dr. G. H. Jain inaugurated the function as a chief guest. In inaugural speech, Dr. G. H. Jain explained the importance and future scope of PCB designing. Principal Dr. G. H. Jain Sir put his valuable suggestions before coordinator to conduct the workshop smoothly.

Dr. Ashok T. Kanade was available as resource persons from Department of Electronic Science, Padmashri Vikhe Patil College of Arts Science and Commerce, Pravaranagar. The workshop was divided into two sessions. During first session, Dr. Kanade demonstrated Deeptrace software for schematic and layout design of circuit with an example. Simultaneously students also handled the software. In second session, the layout was printed on photo paper, etched in  $\text{FeCl}_3$  aqueous solution and developed on glass epoxy PCB.

The workshop was beneficial to the students in various aspects. All staff members decided to allot projects to T. Y. B. Sc. students related to PCB designing. In specific students developed the complete circuit boards as practical kits.

Valedictory function was anchored by Coordinator of the workshop Dr. Tushar Salve. Dr. Deepak R. Patil conveyed vote of thanks. Asst. Prof. Mr. O. M. Pardeshi and Asst. Prof. Miss.

MeenaKhilari helped for success of the workshop. Lab. Attendant Mr. DnyaneshwarBidgarsupported all the background activities.

Photographs of the event: Coordinator Dr. T. S. Salve during foreword of the workshop (top) and Principal Dr. G. H. Jain during inaugural speech

Resource person Dr. Ashok T. Kanade explaining the specifications of electronic components that is useful for drawing the schematic in Deeptace software.

Dr. D. R. Patil conveying vote of thanks.

### **Details of the activity**

We have started this activity from this academic year i.e. 2018-19. For the Department of Electronic Science organized a one-day workshop on PCB designing using Deeptrace software on 26<sup>th</sup> February 2019. We provided basic infrastructure to the students for PCB fabrication which includes: i) PC with win 7 or advanced version

- ii) Laser printer
- iii) Good quality PCBs i.e. glass epoxy PCBs
- iv) Electronic components
- v) Quality Iron/press
- vi)  $\text{FeCl}_3$  and water
- vii) Plastic tub
- viii) Plastic tweezer
- ix) Photo-papers
- x) Drilling machine set-up

- xi) Acrylic boards
- xii) Wooden/plywood boxes

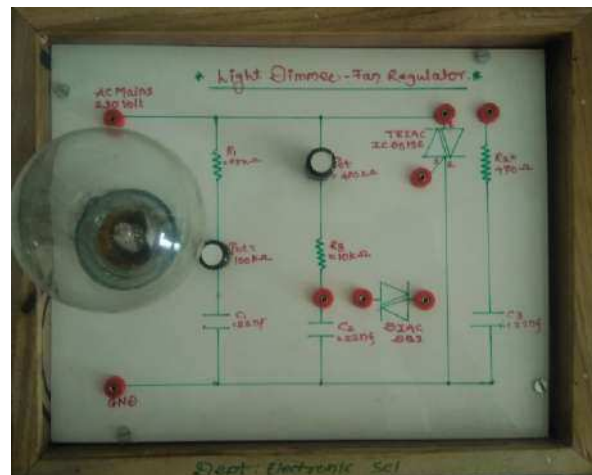

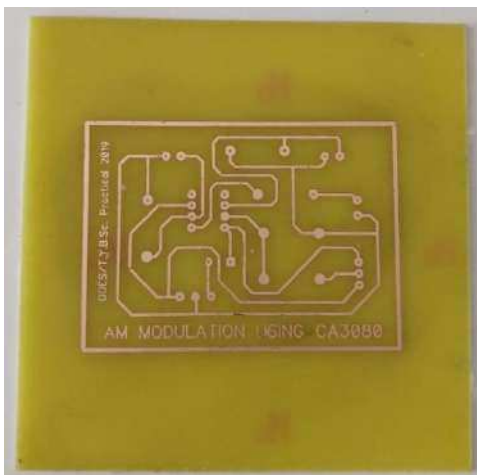

Considering the practical of all UG classes, we purchased the electronic components of **Rs. 26,000/-** from Gala Electronic, Lamington Road-Mumbai. The rates of electronic components are much cheaper than the locally/nearby available suppliers. All other material was made available by college which includes, Drilling machine for **Rs.3240/-** and plywood boxes for **Rs. 5,370/-**. Total expenditure incurred is **Rs. 34,790/-**.

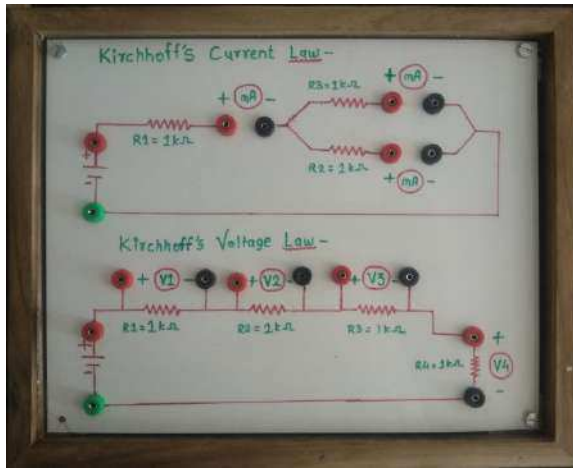

There are certain steps involved in fabrication of PCBs as follows:

- i) Install the Deeptrace software.
- ii) Draw the circuit diagram in schematics of Deeptrace.
- iii) Obtain the PCB layout from drawn schematics by routing and other proper process.
- iv) Save the layout as pdf
- v) Print the layout on Photo-paper using Laser printer.
- vi) Cut the print to fix on PCB's copper side
- vii) Keep the print upside down on PCB and hot-press it so that the ink will leave photo-paper and get stuck on copper side of PCB.
- viii) Remove the paper and etch the PCB for 20 mins. in aqueous solution of  $\text{FeCl}_3$  to remove the unwanted copper to leave behind the layout only.
- ix) Wipe the ink on PCB with ethanol cotton.
- x) Drill the PCB for mounting the components.
- xi) Mount the components and solder it.
- xii) Solder the wires
- xiii) Make connection between wires taken from PCB and female connectors attached to the acrylic boards.
- xiv) Fit the assembly into plywood boxes.
- xv) The kit is ready to perform practical.

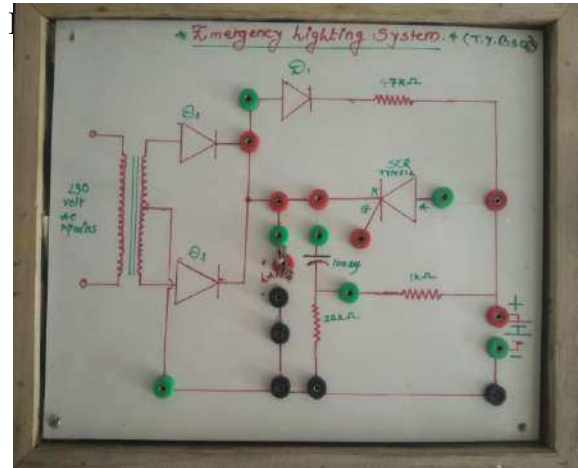

All the process was done by students and supervised by staff.

**Subject: Request to provide compost fertilizer for plantation**

**Dear Sir,**

I am glad to inform you that, we are organizing plantation under the Board of Students Development (BSD) and National Service Scheme (NSS) on 11/07/2019. We are very interested to organize a campaign on tree plantation in our college premises. We all know that tree plantation today has turned into a revolution. So, kindly provide 1 quintal compost fertilizer for us which are available in your college.

Your co-operation and help is of great importance for successful completion of the programme. Kindly cooperate us for same.

Thanking you,

Yours sincerely,

**Dr. C. D. Upasani**

## Sub : Request for 'Compost' for Plantation

Respected Sir,

We have been given to understand that 'Department of Botany' of your Arts,Commerce and Science College has prepared a 'compost' for 'healthier and fast growth' of saplings.

We have further learnt that they have meticulously planned and have successfully made the 'compost' for its use during monsoon by providing a 'compact designed cotton packing bag' for carrying and making its use during plantation.

This year too we have planned to 'grow green' by initiating a massive drive in planting varieties of saplings like Wad, Pimpal and Lim in the entire campus.

We request you to spare few bags of the 'compost' for 'drop-shipping' it to the newly planted trees and saplings.

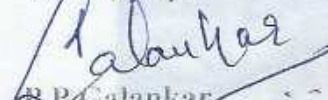

We will give you the feedback of 'compost' with regards to its performance after noticing the development of 'saplings' in coming few months.

I personally would like to congratulate you and your team for all your diligent efforts for the cause of 'beautifying' nature and indeed supporting environment to grow green.

Kudos.You and Team Botany department.

Thanking you,

Yours truly,

**LETTER OF THANKS**

To,

Dr. M. T. Patil

Head of Department Botany,

Abad Art's Lodha Commerce and Jain Science College,

Neminagar, Chandwad, Nasik -423101.

Dear Sir,

I am grateful to you for helping our students to identify the plants. As each plant is having its medicinal uses, they should know the scientific classification of the weeds or common plants. I am sure our students will remember the plants for long period. The contributions given by you are of great prominence for our students. Kindly do visit our college in future also.

We are indeed thankful to you for your support, encouragement and response.

Thanks a lot sir,

(Dr. C. D. Upasani)

**Subject:- arranging guest lecture**

Sir,

Our college has started new course M.Sc. Mathematics from this academic year (2014-15). We the faculty of mathematics are all newly appointed and don't have any experience of teaching PG classes. Hence we are planning to invite Dr. B. N. Waphare, an eminent academician and former head, Department of Mathematics, SP Pune University. We believe that his guidance will be of utmost benefit for students and interactions with him will also enrich us. I request you to allow us arranging his lecture in the department of mathematics.

Thanking you in anticipation.

Yours faithfully,

  
Mr. C. B. Kumbharde

**Subject: Invitation as guest lecture**

Respected Sir,

S.N.J.B.'s K.K.H.A. Arts, S.M.G.L. Commerce & S.P.H.J. Science College has started new program of M.Sc. Mathematics from the very academic year 2014-15. Looking at your expertise in the field of mathematics and in education we invite you as a guest lecturer on 20/9/2014 at 11:30 am and request you to come to our department and guide our students.

We will be honored and privileged if you accept this invitation. We believe that your knowledge, experience and guidance will be of great benefit to our students and will orient the staff of mathematics department for further developments.

With warm regards,

Copy forwarded to:

### LETTER OF APPRECIATION

Date: 20/9/2014

To,  
Dr. B. N. Waphare,  
Department of Mathematics,  
Savitribai Phule Pune University,  
Ganeshkhind-411007,  
Pune.

Respected Sir,

I am writing here to express my heartfelt gratitude towards you for accepting our invitation and visiting our college on September 19 2014. It was great pleasure for us and for our students to hear you.

I appreciate the way you explained the evolution of numbers via polynomials. It was amazing to see our students getting involved in the discussions and credit goes to you as you kept it interesting throughout and made it worth attending.

We are extremely grateful to you that you spend your valuable time and shared your knowledge and experience with us. Thank you.

With warm regards,

Mr. C. B. Kumbharde

Dr. G. H. Jain

### REPORT

Department of Mathematics has organized a guest lecture by Dr. B. N. Waphare , a well known mathematician and former head, Department of Mathematics, Savitribai Phule Pune University on September 20 2014. He spoke about evolution of numbers and gave a brief history of mathematics. He also discussed recent trends in the mathematical science and gave his valuable insight on the challenges and scope in this field. His lecture was inspiring and has benefited 37 students.

Prof. Prasad Patil guiding the students in the workshop on Instrument skill development.

Dr. R. S. Sancheti introducing invited speaker  
Dr. Chatpallivar in the workshop.

Dr. A. M. Patil felicitating the invited speaker  
Dr. Chatpallivar for the workshop on Instrument skill  
development.

Shri. Neminath Jain Brahmacharyashram (Jain Gurukul's)

**KKHA Arts, SMGL Commerce and SPHJ Science College**  
Neminagar, Chandwad-423101, Dist-Nashik, Maharashtra

Date: 11/10/2017

### Notice

All the staff members & PG students are hereby informed that there will be a guest lecture series of various subject experts kindly attend the same as per the schedule given below.

Sr. No	Name of the Guest lecture	Subject	Class	Date	Day	Time
01.	Prof. B. M. Padwal	CHI-130 Molecular Symmetry	M. Sc.-I	13/10/2017	Friday	9.00 am - onwards
02	Dr. Ashok V. Borhade	CHP-110 Quantum chemistry & Statistical Thermodynamics	M. Sc.-I	25/10/2017 & 26/10/2017	Wednesday & Thursday	9.00 am - onwards
03	Dr. Dipak R. Tope	CHO-150 Elimination, Substitution reactions & Stereochemistry	M. Sc.-I	27/10/2017 & 28/10/2017	Friday & Saturday	9.00 am - onwards
04	Dr. V. D. Bobade	CHO- 353 Stereochemistry	M. Sc.-II Organic Chemistry	25/10/2017	Wednesday	9.00 am - onwards
05	Dr. S. V. Patil	CHO-3501 Spectroscopy	M. Sc.-II Organic Chemistry	27/10/2017 & 28/10/2017	Friday & Saturday	9.00 am - onwards
06	Dr. Y. S. Shelar	CHA-390	M. Sc.-II Analytical Chemistry	25/10/2017 & 26/10/2017	Wednesday & Thursday	9.00 am - onwards

Dear Sir,

We are very much thankful to you for accepting our invitation and delivering a lecture on Group Theory. Your expertise and knowledge in the subject has fulfilled all the queries of students and teachers. It was really fruitful to share the knowledge. We expect the same cooperation in future.

Thanking you!

Subject: Invitation as a Guest Lecturer for M.Sc.- I (Organic Chemistry).

Dear Sir,

From this academic year we have started M.Sc. (Organic Chemistry) course. The department is going to arrange the lectures of subject experts for boosting the knowledge of students and the faculty members. With this concern we are happy to invite you as guest lecturer for the topic of "Coordination Chemistry". Please consider our invitation and convey your available schedule.

We hope for your positive reply.

Thanking You!

#### TO WHOM IT MAY CONCERN

Dear Sir/ Madam

This is to confirm that Prof Gotan Jain is visiting the School of Chemistry, University of the Witwatersrand (from 25 July until 4<sup>th</sup> August 2019) to train our research students (MSc/PhD) on various areas of solar energy systems, and establish research collaboration between us and his University.

He will be visiting us with some of pieces of research equipment and materials that he is donating to us, which include the following:

- Screen printing
- Sprayer
- Heater
- Injection
- Binder
- Glass frit,
- Ethyl cellulose powder

Yours sincerely,

**Prof Kenneth I. Ozoemena**

(Professor: Materials for Energy & Electrochemistry)

10 April 2019

To whomsoever it may concern

Sir,

This is to certify that

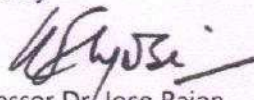

1. Dr. G. H. Jain of Arts, Commerce, and Science College, Chandwad, India
2. Dr. Rajendra Patil of Bonsala Military College, Nashik, India
3. Mr. Anil Gite of Arts, Commerce, and Science College, Chandwad, India

have been at the Nanostructured Renewable Energy Materials Laboratory (NREML), Faculty of Industrial Science & Technology, Universiti Malaysia Pahang at Kuantan, Pahang, Malaysia during 03 – 10 April, 2019.

During this period, (i) they have synthesized energy storage and sensor materials using electrospinning technique, developed electrodes and evaluated their electrochemical properties; (ii) had discussion with the Dy. Vice Chancellor (Research & Innovation), Dean of Research (Technology) and Dean, faculty of industrial science & technology.

All the expenses during this stay has been borne by them.

Sincerely

Professor Dr. Jose Rajan

**Sub: Collaborative research work proposal between your College and our University.**

Dr. Gotan H. Jain

Present scenario of academics demanding international collaboration with various universities, research centres and industries. We feel that collaborative work between international institutes like you will definitely enhance the quality of education and research of our Department. I shall, therefore, feel grateful to work with your College in the collaborative research work and publications.

Your visit and participation in the NANOTECH-2014 is appreciating and the demonstration you did at the laboratories is definitely helpful for our research students and faculty too. We are very much thankful to you for the fabrication of screen-printing setup and gas sensing unit at our laboratory. We assure that this type of collaborative work will definitely be helpful for our students and society too.

Thanking you.

Yours faithfully

Dear Dr Jain

**REQUEST FOR SCIENTIFIC EQUIPMENT TO BE USED IN THE 3<sup>RD</sup> AFRICAN  
CONFERENCE/WORKSHOP ON APPLICATIONS OF NANOSCIENCE AND  
NANOTECHNOLOGY IN ENERGY, ENVIRONMENT, AGRICULTURE AND HEALTH**

We are pleased to request for scientific equipment from you to used during the 3<sup>rd</sup> African conference/workshop on application of nanotechnology in energy, environment Agriculture and health for the period 15<sup>th</sup> – 21<sup>st</sup> July, 2018. The list of the equipment include: Gas sensing unit, Piccometer, power supply, temperature indicator, heater plate, screen printing board, etc. During this period you are expected to deliver lecture and demonstrate to students on the use of the equipment.

The proposed visit would afford us the opportunity to continue in the collaborative works between your institution and our University, which was initiated during your visit in 2014.

Thanks you for your continued support.

Yours faithfully

Dear Dr Jain

**INVITATION AS KEYNOTE SPEAKER IN THE 3<sup>RD</sup> AFRICAN CONFERENCE/WORKSHOP  
ON APPLICATIONS OF NANOSCIENCE AND NANOTECHNOLOGY IN ENERGY,  
ENVIRONMENT, AGRICULTURE AND HEALTH**

We are pleased to invite you to the University of Nigeria, Nsukka, as a Distinguished visiting Guest Scientist during the 3<sup>rd</sup> African conference/workshop on application of nanotechnology in energy, environment Agriculture and health for the period 15<sup>th</sup> – 21<sup>st</sup> July, 2018. During this period you expected to deliver lecture to graduate students and scientists. This is in recognition of your outstanding contribution in area of nanotechnology research activities.

The proposed visit would afford us the opportunity to work out all the details for future collaborative works between your institution and our University.

We will take care of your local hospitality. Accommodation is therefore reserved for you at the University guest house as keynote speaker for the conference.

Venue for the event is Princess Alexandria Auditorium, the University of Nigeria, Nsukka, South-Eastern Nigeria.

This letter also serves to support your application for a visa to enter Nigeria.

We look forward to welcoming you in Nigeria.

Best wishes,

Thanks.

Yours faithfully

## AWARD OF TWAS FELLOWSHIP FOR RESEARCH AND ADVANCED TRAINING

TO:

Mr. John Dike Nwabueze Ogbonna  
Department of Pharmaceutics  
University of Nigeria  
410001 Nsukka  
Enugu State  
Nigeria

04/03/2015

**SUBJECT: Award of 2015 TWAS Fellowship for Research and Advanced Training**  
**FR number: 3240281996**

Dear Mr. Ogbonna,

We are pleased to inform you that you have been awarded a TWAS Fellowship for Research and Advanced Training. The terms and conditions of the Fellowship are contained in this award letter. It is recommended that you carefully read the award letter as it contains KEY INFORMATION on every aspect of your Fellowship, including visa, medical, stipend and travel arrangements.

### PURPOSE & DURATION

- The TWAS Fellowships for Research and Advanced Training programme is intended to enhance the research capacity of scientists from developing countries, helping them to foster linkages for further collaboration. The Fellowship is tenable at the **SNJB's Shriman Sureshdada Jain College of Pharmacy**.  
The person responsible for your visit will be **Dr. Chandrashekhar D. Upasani**.
- The Fellowship is awarded for a period of twelve months and must be taken up within one year of the date of this award letter otherwise it will become null and void. After this period TWAS will bear no further responsibility.
- The effective date of commencement should be agreed with the host institution and communicated to TWAS, bearing in mind that we require sufficient time to make the necessary travel and financial arrangements.
- You must return to your home country on completion of the Fellowship and must sign the attached Acceptance Form (see Annex 1) to this effect.

Any change to the above must be communicated to and approved by the Executive Director of TWAS.

### FINANCIAL ARRANGEMENTS COVERED BY TWAS

- TWAS will cover **only one** journey to the host institution, and the return journey to the home country upon completion of the Fellowship (note that travel expenses that have not been pre-approved will not be reimbursed);
- The cost of visa/s, based on valid receipt/s.
- LUMP SUM of US\$ 200 to cover local expenses in connection with obtaining visa, other incidental costs and related local travel expenses. This will be reimbursed to you once the original (hard copy) visa fee receipt has been received by TWAS. No other documentation or receipts will be required and no further claims for refund will be considered;
- The TWAS Fellowships for Research and Advanced Training programme will also provide you with US\$ 300 per month towards incidental local expenses. Please note that the stipend is processed by TWAS once your travel arrangements have been finalised and you will receive the first stipend installment within one month after arrival. **Therefore, it is recommended that you should take some**

funds to cover basic living costs during the first month of your stay in the host country.

**TWAS WILL NOT ASSUME RESPONSIBILITY FOR:**

- Renewal of passport;
- Travel and any other costs incurred by dependants who might accompany the awardee;
- Support for family members and other expenses related to this Fellowship;
- Salary and social benefits (from employment) for the awardee during the period of the programme;
- Costs incurred by the awardee with respect to any insurance, medical bills and hospitalization fees other than those specifically mentioned in this letter;
- Compensation in the event of death, disability or illness;
- Loss or damage to personal property;
- Financial support to attend any kind of national or international event.
- Excess luggage costs.

**VISA ARRANGEMENTS**

- Before leaving the home country, you should complete all formalities regarding entry and transit visas that may be required for the journey.
- A copy of all entry and transit visas must be supplied to TWAS before the travel arrangements can be finalized. Should you require assistance to obtain a visa, kindly contact the host institute and TWAS.

**MEDICAL ARRANGEMENTS**

- We recommend that you arrange medical coverage or health insurance for the period of your stay in the host country, possibly with the help of your host institution;
- Before leaving the home country, you should complete all formalities regarding any vaccinations that may be required and all vaccination certificates must be carried during international travel from the home to the host country.

**LIVING & ACCOMMODATION**

- The host institution is expected to provide you with food and accommodation, as well as research facilities but you are advised to confirm this matter directly with Dr. Chandrashekhar D. Upasani.

**DOCUMENTS REQUIRED BY TWAS FOR THE IMPLEMENTATION OF THE FELLOWSHIP**

Before making your journey, please present the following documents to TWAS and/or the host institute in order to implement the Fellowship:

- a) Acceptance Form duly signed (Annex 1);
- b) Entrance visa (copy of this must be sent to TWAS before the travel arrangements can be finalized);
- c) Itinerary of the journey, which you must organize with TWAS.

**ACKNOWLEDGMENT OF SUPPORT**

- The TWAS Fellowship for Research and Advanced Training programme requires you to acknowledge the intellectual and material contributions of the programme in all publications and patents emanating from the visit.

**ADDITIONAL/SUPPLEMENTARY GRANTS & BURSARIES**

- The Fellowship requires you to inform TWAS of other grants, funds and bursaries etc. that have been awarded in connection with the research supported by the Fellowship or other fellowships overlapping with the same timeframe of this award.

**RULES & REGULATIONS**

- Take note that in order to comply with our administrative regulations your visit must start within one year of the date of this award letter.

- The Fellowship is awarded for a minimum duration of three (3) months and with a maximum duration of twelve (12) months.
- The Fellowship requires that you observe and adhere to the conditions of the Fellowship, and the rules, regulations, policies and conditions at the host institution. The Fellowship may be terminated on account of breach of standard regulations and procedures.
- For medical reasons, including pregnancy, the validity of the fellowship may be deferred. In such cases, awardees must inform TWAS prior to travelling.
- Any breach of these regulations could lead TWAS requesting reimbursement of any expenses incurred.
- The Fellowship requires you to make sure that all admission formalities with the host institution have been processed and approved. You must also inform the host institute well in advance of your intended date of arrival in the host country.
- Once you have arrived in the host country, you must inform the host institute and TWAS via email in order to ensure you are promptly informed of the next steps to be taken in order for your Fellowship to be successfully implemented.
- At the end of the Fellowship a final report is required to be submitted by both your host institution supervisor and yourself, furnishing a list of publications and patent applications resulting from the research work, as well as research projects in development. It would also be relevant to indicate possible future collaboration with researchers at the host institution.
- By remaining in the host country on completion of the fellowship, awardees can be considered in breach of regulations and may therefore be asked to return the full amount of the fellowship to TWAS.
- Also note any expenses regarding travel that have not been pre-approved by TWAS will not be reimbursed.

If you accept the terms and conditions of this Fellowship, you should complete, sign and return a copy of the attached Acceptance Form (see Annex 1) to TWAS and the host institute, no later than **03/04/2015**, while you retain the original version. If no confirmation is received by this date, the TWAS Fellowship appointment will be cancelled.

Upon receipt of the completed and signed Acceptance Form, TWAS will inform you how to proceed with travel arrangements. Please note you must NOT purchase any ticket without prior permission and that any advance payment for travel expenses requires at least two months' preparation.

Yours sincerely,

Prof. Romain Murenzi

Date: 13/05/2019

To  
Ms IHIM STELLA AMARACHI  
Department of Science Laboratory Technology,  
University of Nigeria, Nsukka.

**Subject: Letter of Invitation for IHIM STELLA AMARACHI**

Sir/Madam,

It is my pleasure to confirm that our Institution is offering our research facilities to IHIM, STELLA AMARACHI, up to 3 months from **June 15<sup>th</sup> to September 16<sup>th</sup> 2019** in the framework of her Research Fellowship Program funded through The World Academy of Science (TWAS) Fellowship for Research and Advanced Training.

IHIM STELLA AMARACHI will be supervised by **Prof. Dr. Chandrashekhar Devidas Upasani** under the headship of **Prof. Dr. Aman B. Upaganlawar** and will have access to our research infrastructure. Our institution will also provide the awardees with local hospitality (food and accommodation) and other facilities throughout the duration of her study.

The research topic of her stay will be based on "investigation of the antidiabetic effects of two culinary mushrooms, *Pleurotus tuberregium* and *Ganoderma applanatum* as well as their bioactive polysaccharide fractions. The research will explore the isolation and development of novel antidiabetic compounds from mushrooms in order to overcome the limitations associated with conventional antihyperglycemic agents therefore improving the quality of life of people living with diabetes mellitus.

Please do not hesitate to contact me if I can be of any further assistance especially in respect of your procuring your entry visa to India.

Thanking you,

## **IHIM, STELLA AMARACHI**

**Date and place of Birth:** 18<sup>th</sup> August 1987 / Warri, Delta State  
**Sex:** Female.  
**Local Govt. Area:** Isiala Mbano  
**State of Origin:** Imo  
**Nationality:** Nigerian.  
**Permanent Home Address** 5A Aruoture Street, Off Okumagba Avenue, Warri, Delta State.  
**Postal Address:** Ihim Stella, Dept. of Science Laboratory Technology, Faculty of Physical Sciences, University of Nigeria Nsukka.  
**Cell Phone** +2348039576748  
**E.mail Address:** [stamia4real@yahoo.com](mailto:stamia4real@yahoo.com)  
**Marital status:** Married  
**Institution Attended**

[2013 - 2015] University of Nigeria, Nsukka. Masters in Pharmacology and Toxicology  
[2005 -2011] University of Nigeria Nsukka. B.Pharm

### **WORK EXPERIENCE**

**September 2017- Till Date University of Nigeria, Nsukka.**

**Lecturer II, SLT Department**

- Lectures Pharmacology and Toxicology
- Conducts Pharmacology and toxicology practicals.
- Other department jobs assigned from time to time

**July 2015 – August 2017 Novartis Pharmaceutical Services, Nigeria**

**Medical Representative**

- Responsible for sales generation in the assigned territory through face to face detailing with health care professionals, key opinion leaders, clinical presentation, journal review, round table discussions and meetings.
- Responsible for segmentation and targeting of customers according to their potential and propensity
- Responsible for generating new customers, growing the older ones and managing both.
- Responsible for proper coordination of trade partners for efficient and effective distribution network

**December 2013 – June 2015 Pharamarama Pharmacy and Stores, Port Harcourt  
Superintendent Pharmacist**

- Providing guidance and direction to subordinates by setting standards based on objectives, revising process and individual performance, revising progress, making corrections and preventive actions to match organizational goals.
- Ensuring growth and profitability of the pharmacy.
- Combining effective compliance with all policies and procedures for controlled substance dispensing and record keeping.
- Handling and resolving customer issues complaints' and questions to build customer trust and loyalty.
- Dispensing of medication.
- Patient education and counselling to ensure compliance and adherence.

**November 2012 – October 2013. Hospital Pharmacist, Auchi Polytechnic Cottage Hospital, Edo State**

- Worked collaboratively with patients, family members, physicians, nurses and laboratory scientists to meet the complex goal of optimizing patient therapy
- Collated adverse drug reaction reports from patients to the pharmacist in charge of adverse drug reaction unit.
- Dispensed medication to patients.
- Carried out periodic stock taking in the store and other units of the pharmacy.
- Delivered periodic departmental presentation on current therapies in the management of disease state
- Other Units jobs assigned from time to time

**September 2011- July 2012. Faculty of Pharmaceutical Sciences, University of Nigeria Nsukka.**

**Intern Pharmacist**

- Carried out animal toxicity studies using the lorke's method on several test samples for Pharmaceutical research..
- Carried out detailed qualitative and quantitative phytochemical analysis of over 25 plant extracts using the appropriate standard procedures, laboratory apparatus and equipment for each phytochemical constituent.
- Assisted undergraduate students in the extraction of pulverized plant materials in order to obtain test extracts needed for experimental studies.

- Carried out statistical analysis of experimental results of some final year undergraduate students using SPSS.
- Participated in several field work data collection for some post graduate students.
- Dispensed medications to patients at the University Medical Center.
- Provided medication counselling to patients to improve understanding and compliance.

## VOLUNTEER EXPERIENCE

- World Health Organization (WHO) Local technical consultant (Supervisor) on LGA level HMIS baseline and needs assessment in Anambra State - September 2017

## RESEARCH WORK/PAPERS ACCEPTED/PUBLISHED

- Nworu CS, Ihim SA, Ugwu LE, Laiyema KA, Akah PA (2014). Hepato and nephroprotective activities of a Nigerian local king tuber Oyster mushroom, *Pleurotus tuberregium* (higher Basidiomycetes) in chemically- induced organ toxicities in rats. *International Journal of Medicinal Mushroom* 16(4): 305 – 318.
- Nworu CS, Ihim SA, Okoye FC, Esimone CO, Adiku MU, Akah PA (2015). Immunomodulatory and immunorestorative activities of  $\beta$ -D-Glucan-rich extract and polysaccharide fraction of mushroom *Pleurotus tuberregium*. *Journal of Pharmaceutical Biology* 53(11): 1 – 12

## AWARDS/ACHIEVEMENTS

- Best Graduating student, Department of Pharmacology and Toxicology, Faculty of Pharmaceutical Sciences, UNN - 2011
- Best Graduating student, Department of Pharmaceutical Technology and Industrial Pharmacy Faculty of Pharmaceutical Sciences, UNN -2011
- NYSC State Merit Award, 2012 /2013 Batch C
- 2<sup>nd</sup> Position Novartis Nigeria limited Q4 Exforge Champions Award, 2016
- 2<sup>nd</sup> Position Novartis Nigeria limited Q2 Dynamo Award, 2017
- 1<sup>st</sup> Position Novartis Nigeria limited special recognition award for outstanding performance on Galvusmet 50/850 and 50/500 sku's in June, 2017.

## PROFESSIONAL MEMBERSHIPS

Member Pharmaceutical Society of Nigeria (PSN)

## SKILLS

- A fast learner and team player with high level of tenacity
- Ability to work with minimal supervision

- Ability to use application packages such as Ms Excel, Ms Word and PowerPoint
