TO WHOM IT MAY CONCERN

Dear Sir/ Madam

This is to confirm that Prof Gotan Jain is visiting the School of Chemistry, University of the Witwatersrand (from 25 July until 4th August 2019) to train our research students (MSc/PhD) on various areas of solar energy systems, and establish research collaboration between us and his University.

He will be visiting us with some of pieces of research equipment and materials that he is donating to us, which include the following:

- Screen printing
- Sprayer
- Heater
- Injection
- Binder
- Glass frit,
- Ethyl cellulose powder

Yours sincerely,

Department of Chemistry

Academic / Scientific Visit (2018-2019)

Department of Chemistry organized a scientific visit of two days for M.Sc Final year Chemistry students (Analytical and Organic Chemistry) during 13rd to 14th March, 2019 and visited to IISER (Indian Institute of Science Education & Research), Pune on 13rd March, 2019. The scientists from IISER explored the complete information about various instruments like ¹H NMR, FTIR, UV-Visible, CHNS Analyser, etc. During this visit students enjoyed much by keeping keen interest in learning the skills of instrument handling and working processes. We were accompanied by 23 students and 4 staff members out of which one lady staff with us. On next day we all went to visit Mahabaleshwar. It was memorable experience and students enjoyed a lot.

Respected Sir,

Our College **SNJB's KKHA Arts, SMGL Comm and SPHJ Sci Collge Chandwad Nashik** established in 1970. It is affiliated to Savitribai Phule Pune University and recognized under 2(f) and 12(b). It caters to the educational and socioeconomic needs of the students dwelling in rural area of Chandwad Tehsil. It avails graduation and post-graduation courses in arts, commerce and science.

As per the discussion during a National workshop at AYUSH center at Savitribai Phule Pune University Pune your lecture was quite informative and it inspires me to write scientific reviews and articles. I would like to invite you to conduct the workshop at our college for PG students. All our students are coming from the rural background and we feel your guidance will definitely help our PG students.

If you suggest the dates of your convenience we will arrange the same.

Looking for the positive reply from your side.

Regards

Dear Sir,

Thank you for your kind invitation to conduct a workshop for your PG students. I would be delighted to take up the task.

Though I think that it would be more productive to conduct the workshop for the faculty, I understand that it would be difficult to get the faculty off for a week from their work. However, if any faculty is interested, Current Science is organising a workshop from 24th to 29th of September. Please request your college to send a faculty member to evaluate and assess the value of the workshop for the faculty. The announcement of the workshop will be published in the July 25th issue of the journal.

About the workshop for PG students - I would like to know them beforehand, run a virtual workshop for about a month before meeting them. I hope you remember about the number of participants in the

workshop - not more than 14. I can add two more as observers. Observers cannot take part in discussions and activities.

I used to teach earlier and when the number goes up, I turn into a teacher and forget about my role as a trainer. The result is that the impact of the workshop as well as the quantity and quality of the output from the workshop go down. I have tried it two batches of IISER Pune students - a batch of 114 and another batch of 165. Though they loved my lectures, there was no outcome. I felt I had wasted my time and energy. However, the one-month long science video production workshops were quite productive since the participant numbers were small to allow individual attention.

If you give me the Gmail ids of the students, I will form a Google group and initiate the virtual workshop. Then in a month, we can fix the dates for the face-to-face workshop.

Best regards,

Dear Sir,

I have formed a Google group consisting of 15 students. One e-mail id - Poonam's - seems to be wrongly spelt -

"Poonam Bhausahab Raundal" <poonammanoj4416@gmail.com>

Rohini's id was also wrongly spelt. But I managed find the error and corrected it. But I will need Poonam's correct id to include her in the group.

I will include you also in the group. You may observe the activities. Perhaps, some day, you may find the techniques that I am using, in your profession too. But as much as possible desist from participating. It may inhibit the shy students to find a Professor peeping over their shoulder. :)

If all goes well, the participants would be ready for the workshop by the end of August. So we can plan either for the last week of August or the first week of September. Please check with others what would be the convenient time and tell me.

Best regards,

Dear Sir/Madam,

Thanks for the finalizing the visit day, Saturday 1st October 2016. I request you to please delay the schedule of visit by 11.00 am instead of 09.00 am, as distance between the chandwad (our station) to thyrocare lab (panvel) is almost more than 250 km and it will be very difficult for me to reach at 9.00 am. even some of the girl students are from rural & remote area and they have to start their journey 1 hour before chandwad schedule. So i request you to postpone it by 2 hours so that it will be convinient for us.

We are total 55 (50 students & 5 staff members) coming by 55 seater travel bus. we will start the journey by 5.00 in the morning so as to reach by 11.00 am at the thyrocare lab. All the students are of Diploma in Medical Lab Technician course (After 10+2 Sci) under Community College Scheme of UGC, New Delhi.

Kindly cooperate for the same.

Thanking You.

Dear Sir/Madam

You have finalized the date of visit for our students on 24th September but due to the Maratha Kranti Morcha Roads & Highways are closed on that day in Nashik.

I request you to finalize the date on either 30th September or 1st October. These dates are convenient for us. And even 27 & 28 are not suitable for us as our college is hosting Pune University Yuva Mahostav.

Thanking You.

Subject: Industrial Visit

Dear Sir,

Since last year college has started M.Sc. (Organic Chemistry) course. The Savitribai Phule Pune, University, Pune included "Skill Development" course in PG syllabus. Along with theoretical knowledge students should experience practical working of the instruments & actual industrial working process. With this context we request you to permit for visit of our students (Total- 46) and faculties (two or three) at your esteemed organization.

We hope for positive response.

Sub: Collaborative research work proposal between your College and our University.

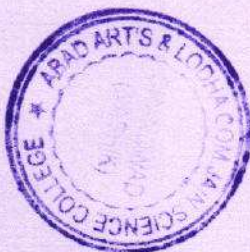

Dr. Gotan H. Jain

Present scenario of academics demanding international collaboration with various universities, research centres and industries. We feel that collaborative work between international institutes like you will definitely enhance the quality of education and research of our Department. I shall, therefore, feel grateful to work with your College in the collaborative research work and publications.

Your visit and participation in the NANOTECH-2014 is appreciating and the demonstration you did at the laboratories is definitely helpful for our research students and faculty too. We are very much thankful to you for the fabrication of screen-printing setup and gas sensing unit at our laboratory. We assure that this type of collaborative work will definitely be helpful for our students and society too.

Thanking you.

Dear Dr Manoj T Patil

This has reference to your application to participate in the training course on "Evaluation of transgenic crop plants for drought tolerance" sent to Dr. Nataraja Karaba, Professor, Department of Crop Physiology, UAS, Bangalore. After scrutinizing your application, I am happy to inform you that you have been provisionally selected for the training course. Please confirm your participation before 20th of September by email to Dr. Nataraj Karaba. If we do not receive your confirmation, we would select other candidates for the training.

In case you need the signed copy of the selection letters, please do let us know. However, you may go ahead and plan your travel etc.

Please note the following.

1. No course fee will be charged for the training programme.
2. Accommodation will be provided on sharing basis in a Guest House between 5th and 12th of October 2014 only.
3. Working lunch will be provided during training period.
4. No TA/DA will be provided.

Looking forward to interacting with you.

Dear Sir,

Thanks for considering my application. I am ready to join this course. I request you to provide or arrange the dinner in guest house and Travelling fare of Train (AC III Tier) by shortest route if possible as I am coming from Pune & I dont have any idea about the Food facility and hotels which may be costly in Bangalore.

My college is not going to pay the TA which I have to bear myself.

In this connection I again request you to do the same if possible.

Thanking You.
