Dear Sir/ Madam,

This has reference to your aforesaid proposal submitted under **Level '0'** category under the PG Colleges for 'College as a whole'. During evaluation of this proposal the Subject Expert Committee has short-listed this proposal for its detailed presentation. Kindly note that the Expert Committee- PG Colleges would be meeting on 28th and 29th October, 2018 to discuss all short-listed proposals. You are, therefore, requested to kindly present your proposal on **29th October 2018 (Monday)** at **Ramada-Alleppey, Nehru Trophy Finishing Point, Punnamada, Alleppey- 688001, Kerala** at 9:30 am (Contact Person at Alleppey: Dr. G. Nagendra Prabhu (Mobile No. 03495017901; email: nagendra.prabhu@gmail.com))

Please ensure that presentation is made by the Principal of the concerned College. It would not be possible to continue the presentation without the Principal of the concerned College. However, he/she may be assisted by the science based faculty members of the said College.

Due to constrain in time, the presentation by using LCD Projector may please be strictly restricted to **10 minutes with not more than 10-12 Slides**. To accommodate large number of proposals for presentation in one day, each presentation shall be limited within time. Kindly note that the College shall be required to focus on teaching both at under-graduate as well as post-graduate levels without going into details about the history of the College/ Department and orient presentation towards indicating last five years academic achievements in all S&T related Departments of the College including facilities available, research publications & extra-mural research grants received, if any; students' achievements & their placement records, number of PhDs produced & on-going, if any; future focus and requirement of funds with justifications etc. Kindly also note that support under this category will mainly be considered for

the College as a whole and not for any one or two PG-Departments in the College only, although the proposal may have been submitted for one or two Departments. Therefore the presentation should focus all S&T related departments at the College and not focusing only one or two PG Departments in the College. Such presentation will not be allowed to continue. The focus in the presentation shall be made accordingly. Kindly also ensure the completion of the earlier FIST Support, if any, in the form of submission of Project Completion Report, refund etc. without which the Presentation of the proposal may be withheld.

A College seeking repeat support now **must include slide(s) to reflect the impact of the support under the FIST scheme** towards improvement in the Teaching as well as Research. You may please **upload the Presentation Slides (a single PDF) at the e-PMS web-portal, after logging in and selecting Connect with DST, latest by 22nd October, 2018.**

DST would reimburse the TA/DA as per GoI norms including traveling by AIR-INDIA only in low cost ticket to one participants of each project for attending this meeting at Ramada, Alleppey, Kerala. **No waiver for traveling other than by Air India would be possible.** A line of confirmation on participating the meeting from your side is also appreciated. **Due to limited facilities for accommodation at Alleppey, Kerala, we would be unable to provide the same to you during this meeting. You may have to arrange for same for attending this meeting. Kindly also do not make any request on these two issues i.e. Accommodation & Waiver of AIR INDIA. In case, suitable AI flight is unavailable, other modes of transport (train etc.) may kindly be explored.**

Kindly confirm your participation in this meeting to us at DST only through Email (a.bhattacharyya@nic.in). **Kindly also note this is a whole day meeting and so you are requested to plan your travel schedule accordingly. Dear Principal/Coordinator,

This is with reference to the proposal submitted under Star College Scheme; the same has been reviewed and shortlisted for presentation with the following comments:-

“The faculty strength is fine except for Mathematics Dept. where there is no faculty with PhD. The budget expenditure as evidenced by the documents submitted is fair. The student pass percentage is increasing over the years. Shortlisted for presentation of 4 depts. i.e. Botany, Zoology, Chemistry and Physics”

3rd Meeting of the “Task Force under the Star College scheme” has been scheduled for 26th November, 2018 at 9.30 A.M in Conference Room No. 503, 5th Floor, Block-3 Department of Biotechnology (DBT), New Delhi.

As you aware that this scheme has been initiated with an idea to enhance conceptual clarity, development of scientific thinking and creativity among students. It also envisages interactive participation among different scientific disciplines and departments with a holistic approach towards science rather than compartmentalized thinking. The person nominated for presentation should be well conversant with the proposed programmes of participating departments. Your presentation should be restricted to approx 10 minutes with a maximum of 5 to 7 slides highlighting:

1. Proposed changes in the existing science courses as per approved curriculum of the university (for which support is being sought) after receiving DBT support & proposed inter-departmental activities (to be correlated with in house faculty expertise) :

Papers & Experiments in current curriculum	Papers/Experiments proposed to be undertaken
--	--

2. Correlate current infrastructure/Instruments with Experiments done presently & similarly correlate new instrumentation requested with specific examples of experiments proposed to be introduced.
3. Special strength(s) of the college
4. Nature of minor research projects to be conducted.
5. Faculty improvement programmes.
6. Inter disciplinary activities.
7. Outreach programme proposed to be conducted.

DBT is not expecting colleges to introduce any changes in existing curriculum but try to include inter-departmental, inter-disciplinary experiments which could not be done due to absence of equipment or costly consumables as per the approved curriculum. *The proposal would be judged on the basis of innovative, inter-departmental, inter-disciplinary activities involving all UG science*

<https://mail.google.com/mail/u/0?ik=f673d45fed&view=pt&search=all&permthid=thread-f%3A1614110894557682377&simpl=msg-f%3A16141108...> 1/5

students, such as additional practicals, demonstrations, minor research projects, guest lectures by eminent scientists, opportunities for interaction for students & faculty etc.

(Kindly note that scheme envisions to strengthen existing life sciences and allied science departments only and does not provide support for creation of new departments or initiation of new teaching programs in biotechnology)

TA/DA will be met by DBT as per Government norms and your eligibility in your host institute. **Air travel reimbursements shall be admissible only for travel by economy class (apex fare) of Air India. Travel by any other airlines will not be reimbursed even though they may be at comparative rates or cost effective than Air India.** This is as per the GOI norms. **Due to space constraint in the conference room of DBT, meeting may be attended by one person only who is the able to present proposal before the committee effectively. TA/DA would be paid for one person only. Please send the personal bank details as per the format attached by 31st October, 2018 so that the reimbursement may be processed smoothly via RTGS. Copy of TA/DA form is enclosed. You are requested to bring the duly filled TA/DA form, original ticket and original boarding passes to enable us to process the reimbursements. Please note that TA/DA shall not be paid on spot and will be transferred to bank account.**

It is requested that the confirmation regarding the participation may be confirmed by 31st October, 2018 failing which we shall assume that your college is not participating in the Task Force Meeting.
