

S.N.J.B.'s

**Karmveer K. H. Abad Arts, Shriman M. G. Lodha Commerce
& Shriman P. H. Jain Science College**
Neminagar, Chandwad, Dist. Nashik-423101 (Maharashtra)

Core Values

❖ **Academic excellence**

SNJB's KKHA Arts, SMGL Commerce and SPHJ Science College is committed to provide quality education to create able and well-developed citizens so that they can use their knowledge, talents, and skills to sustain themselves. The college aims at excellence in teaching and research. At our Institute we endeavor to create a good environment for quality by recruiting well qualified staff, providing curricular flexibility and good infrastructure facilities, organizing academic and research oriented activities and promoting continuous improvement of the students. The Institute encourages creativity and innovation, among students as well as faculty. It also provides opportunities for upward mobility. Academically advanced students are given opportunities to exhibit their capabilities through seminars, student-presentations, *Avishkar* research festival and annual magazine *Anand*. The industrial visits, study tours enable the students to relate the learning experiences with the world of realities. The postgraduate students are encouraged to participate in the state, national and international level seminars and conferences. The weaker students are systematically counseled.

❖ **Leadership and cultural heritage**

The mother institute was established in 1928 by Karmveer Keshavlalji Harakchandji Abad alias Pujya Kakaji to promote education in rural areas of Chandwad. The institute imparts cultural values along with modern education and has now proliferated to a great extent. The overall administration is decentralized and pro-active.

❖ **Accountability and transparency**

The institute believes in having complete transparency at all levels of hierarchy to promote a healthier working atmosphere to all.

❖ **Freedom of thought and expression**

The institute guarantees freedom of thought and expression at academic and administrative level.

❖ **Encouragement**

Encouragement is given to all the stakeholders to promote quality. Students who excel in sports, academic, co-curricular and other activities are annually awarded. Teachers who contribute to qualitative development of the college are also felicitated. The faculties are encouraged to undertake research projects and to avail grants from BOD, UGC, DST and other funding agencies. Institute works to create environment conducive to overall development of all stakeholders.

❖ **Social responsibility**

The NSS Unit plays a key role in inculcating the sense of social responsibility among the students. Other academic and co-curricular associations contribute to promote awareness of latest and important social issues and give them a broader perspective of understanding the causes and possible solutions to various social issues.

❖ **Personality development**

The college is dedicated to facilitate a holistic perspective among students towards life, profession and happiness. It frequently conducts personality development-oriented activities. Sports activities are given due attention. Such a holistic perspective forms the basis of living in a natural way.

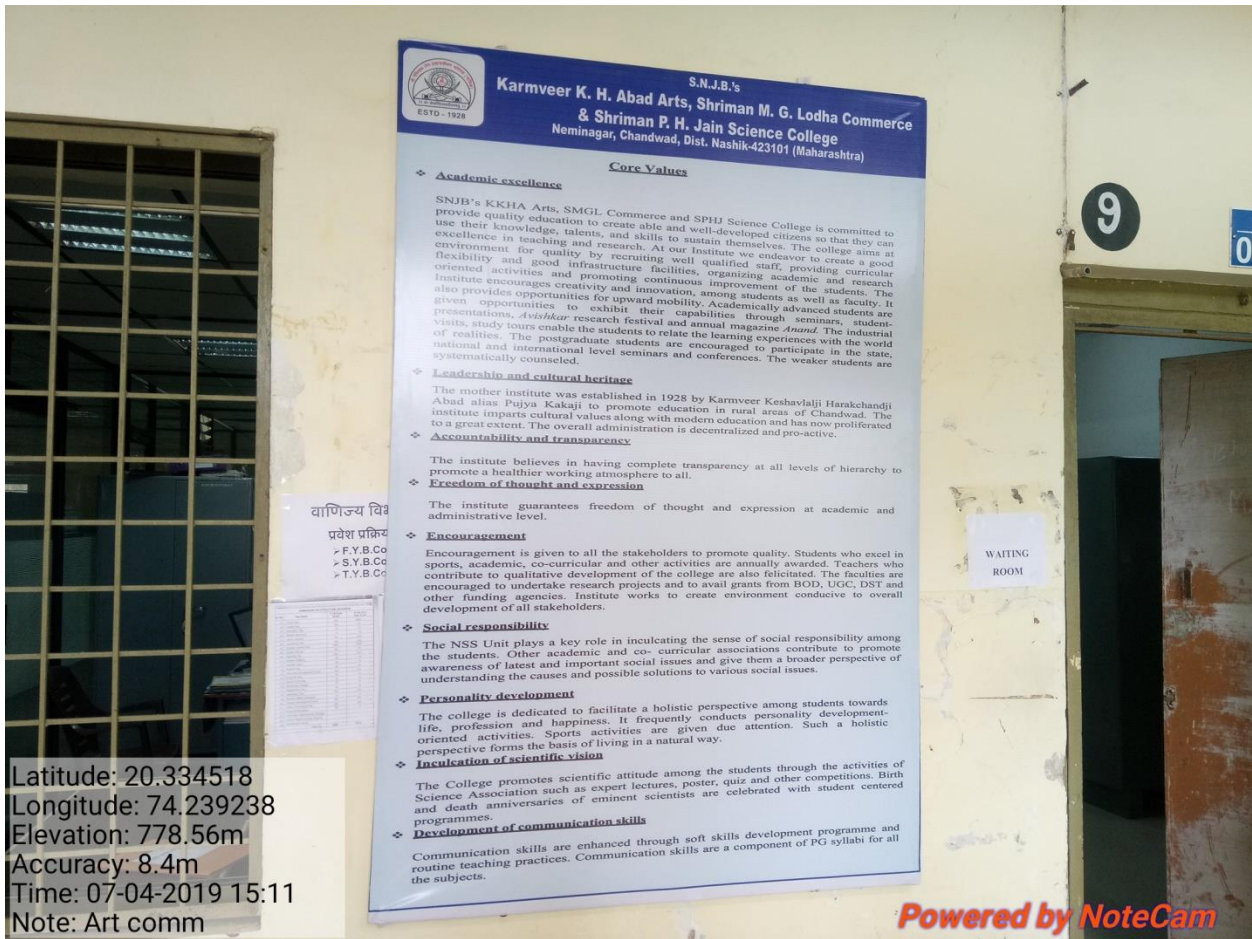

❖ **Inculcation of scientific vision**

The College promotes scientific attitude among the students through the activities of Science Association such as expert lectures, poster, quiz and other competitions. Birth and death anniversaries of eminent scientists are celebrated with student centered programmes.

❖ **Development of communication skills**

Communication skills are enhanced through soft skills development programme and routine teaching practices. Communication skills are a component of PG syllabi for all the subjects.
