(Rajdervadi Village) After Demonetization farmers facing problems during selling agriculture products in markets. Under UNNAT BHARAT ABHIYAAN villagers are trained to use of e-wallets, and banks accounts through smart phones and feature mobile phones too.
----	---	--

Technology to village: -

As villages are not so connected to cities, newly updated technology get time to reach to village.

Computers and laptops are new way of work in the city but village students hardly get to use of computers and skill for use of it.

Our College students help Village school students for learning features of computer such as use of Paint, MS Office interestingly so their curiosity towards technology will increase.

Medical Check-up:

Due to long distance and less connectivity to urban area, villagers are depending on medicines made from forest and local trees which takes time to cure or didn't work

For School our college organize a medical check-up camp in which BMI of students, Eye /Ear checkup, Fever or physical injuries & other medical problems and counseling of students regarding medical treatment has done.

Water Management. -

To increase the irrigated area, watershed development was undertaken by providing core wall by digging puddle punch trench up to level of hard rock. It was a cost-effective solution and it was as effective as cement check dam. also for 'Jalyukt Shivar' scheme college students build a dam with the help of sand bags on brook of village

Environment and Tree Plantation

Tree Plantation on different places in village help to increase forestry.

Nearly about 400 tresses are planted in village on various places like School premises, Near Government offices, On both side of the roads

Organic farming:

To increase organic farming our student organized awareness rally in every Household in Rajdervadi , Jopul, Nimgavhan, Mangrul and Nadurtek Village.
